

Lodz, date 24.10.2023

Change to the rules for financing and implementing mobilities to partial studies abroad – long-term student mobilities under the Erasmus+ Programme (EU Member States and third countries associated with the KA131-2022 Programme) in the summer semester 2023/2024 under the KA131-2022 agreement.

1. To published on 09/10/2023 point 11 the following provision is added:

"According to the interpretation of the European Commission, a mobility made using low-emission means of transport only one way – cannot be treated as green travel. According to the provisions in the "Erasmus+ Programme Guide", green travel is "travel that uses low-emissions means of transport for the main part of the travel"."
