

**Accommodation procedures in student dormitories of the University of Lodz applying
in the academic year 2021/2022**

**Accommodation in the UL student dormitories takes place in a way that allows limiting
contact between their residents**

1. A student must be equipped with their own personal protective equipment (a face mask, disposable gloves).
2. In order to ensure an efficient accommodation process, a student who has been allocated to a given dormitory at the time of accommodation should have completed forms:
 - a) a questionnaire,
 - b) a statement.They are available on the website: cos.uni.lodz.pl in the applications tab.
3. A student uses their own stationery to fill in the forms necessary for the purpose of accommodation.
4. Only a person entitled to accommodation with luggage may enter the premises of the dormitory. Assistance of other people is allowed in the event of carrying and bringing in objects/items of large dimensions.
5. Two students are accommodated in double rooms, in the event of not using all the places in a given student dormitory, it will be possible to stay in single rooms according to the rates applicable in Annex 2 to the Regulations for allocating and using places in Dormitories of the University of Lodz applicable in the academic year 2021/2022.
